### INVITATION TO HOUSING LEADERS

Mount Douglas Seniors Housing Society is offering an exciting and rewarding opportunity to interested volunteers who are considering a role in community service. Our organization requires a diverse group of individuals whose expertise varies and who can work collaboratively to achieve our stated goals.

MDSHS is a not-for-profit Society that has successfully provided comfortable, affordable independent housing to older adults for over 50 years. With the opening of our newest award-winning building in 2019, we now operate 164 units. Our success is rooted in effective management, fiscal prudence, and a resident-centered approach. Our campus is professionally managed by an Executive Director and five staff.

If you have a background in housing, non-profit leadership, social work, law, accounting, engineering, construction, health, community development, or geriatrics, we can use your talents and experience. For those wishing to gain professional development credits, this is an opportunity to give back to your community by directly impacting local affordable housing issues. If you're looking for a renewed focus in retirement, your life experience and wisdom is valuable to us.

The major responsibilities of the MDSHS board include providing safe, comfortable tenant accommodation, developing, and monitoring our strategic plan, ensuring fiscal oversight to an annual approved budget, recruiting new board members, hiring, and evaluating the Executive Director, establishing policies and procedures, and ensuring a safe working environment for staff and residents.

Thank you for taking the time to consider this invitation. For more general Society information please visit: <https://www.mdshs.net>

How to apply for a volunteer board position please visit: <https://www.mdshs.net/careers/>

**Please e-mail your interest in becoming a volunteer board member to [info@mdshs.net](mailto:info@mdshs.net) and a current board director will be in touch with you.**

Sincerely

Jane Mason  
MDSHS Board Chair
